Finally, Section E concerns the prohibition of the usage of drugs during activities of BeeVee.

### **A PREVENTION OF ALCOHOL CONSUMPTION BY MINORS AND ALCOHOL ABUSE**

#### **1 Duties of the board**

15 At the beginning of the academic year, the board will compose a list containing the names of all members who are below legal drinking age. The list will contain the following:

- 20 a. the name of the member;
- b. the date at which the members turns 18;
- c. (if possible) a photo.

25 The board shall make sure that at least two of these lists are present in the board room. The board members that remain sober during activities of BeeVee where alcohol is served by BeeVee (hereafter referred to as ‘the activity’) will carry a copy of this list. In addition, at least one list of minors is available for the committee that serves alcohol on BeeVee activities in the Huygens building. The list will be updated during the academic year to make sure that all members below legal drinking age are included.

30 The board shall monitor the alcohol consumption of all attendees of BeeVee activities and address the member in question in case of suspected alcohol abuse. In order to make proper judgement of alcohol consumption, three board members, if present, and two members of the organising committee shall remain sober during activities of BeeVee where alcohol is served by BeeVee. The board has the right to remove attendees from activities of BeeVee when there is good reason to assume alcohol abuse. The board is allowed to take further measures to discipline said person.

#### **2 Duties of the person responsible for the activity**

40 The person responsible for the activity will get the list containing members below drinking age at the board room, at the latest, on the day of the activity. The person responsible for the activity will place this list at the bar and shall inform everybody who serves drinks on the presence of this list. If alcohol is served at several locations, the list must be present at all of the locations. The list must be kept out of sight of the attendees of the activity to ensure the privacy of everyone on the list.

45 The person responsible for the activity will monitor the alcohol consumption of all attendees and address the member in question in case of suspected alcohol abuse. The person responsible for the activity has the right to remove attendees from the activity if this is deemed necessary.

50 It is the responsibility of the person responsible for the activity that everyone who serves alcohol is aware of their duties. To achieve this, the person responsible for the activity can go through section C of this document with everyone who will serve alcohol during the activity.

55 **B CONSEQUENCES FOR A MINOR WHO ATTEMPTS TO ORDER ALCOHOL OR CONSUMES ALCOHOL**

**1 Consequences for a minor who attempts to order alcohol**

60 If a minor attempts to order alcohol, and someone serving alcohol notices this, the minor will get a warning. This warning must be written down on a list in possession of the board. If said minor should attempt to order alcohol a second time, he or she will be removed from the activity. If said minor should attempt to order alcohol during another activity of BeeVee where alcohol is served by BeeVee, after being removed once before, he or she can be denied further access to activities of BeeVee where alcohol is served by BeeVee for a period of time  
65 determined by the board and the person responsible for the activity.

**2 Consequences for a minor who consumes alcohol**

70 If a minor consumes alcohol during activities of BeeVee where BeeVee serves alcohol, the alcohol will be taken from said person and they will receive a warning from the board or the person responsible for the activity. This warning shall be written down on a list in possession of the board, as is the case when a minor attempts to order alcohol. If said person should be seen consuming alcohol again, they will be removed from the activity. If, after being removed, said person consumes alcohol again during an activity of BeeVee where BeeVee serves alcohol, they shall be denied further access to activities of BeeVee where alcohol is served by  
75 BeeVee for a period determined by the board and the person responsible for the activity.

**3 Consequences for an unidentifiable non-member who orders or consumes alcohol**

80 If a non-member is present during an activity of BeeVee where alcohol is served by BeeVee, said person can be asked to show their identity card to check if they are allowed to consume alcohol. If said person then refuses to show their identity card, alcohol will be denied to them. If they then do consume alcohol, they will be removed from the activity.

**C CONSEQUENCES FOR SOMEONE WHO SERVES ALCOHOL TO A MINOR**

85 If someone knowingly serves alcohol to a minor, said person must be warned by the person responsible for the activity. This warning will be written down on a list in possession of the board. Should said person knowingly serve alcohol to a minor again, appropriate measures will be taken, if necessary in consultation with the VoorraadCie of Olympus.

**D CONSEQUENCES FOR A THIRD PARTY WHO PROVIDES ALCOHOL TO A MINOR**

90 If a third party knowingly provides alcohol to a minor, said person must be warned by the person responsible for the activity, someone serving alcohol, or a board member. This warning will be written down on a list in possession of the board. Should said person knowingly provide alcohol to a minor again, they will be removed from the activity. If said person should, after already being removed before, knowingly provide alcohol to a minor again during activities of BeeVee where alcohol is served by BeeVee, they will be denied access to activities of BeeVee  
100 where alcohol is served by BeeVee for a period determined by the person responsible for the activity and the board.

105 **E PREVENTION OF USE OF DRUGS ON AN ACTIVITY OF BEEVEE**

110 It is not allowed to use drugs on an activity of BeeVee. If someone attempts to use drugs on  
an activity of BeeVee, this person will get a warning. This warning will be communicated with  
the rest of the board. If said person should attempt to use drugs a second time, this person  
will be removed from the activity.

It is not allowed to be under the influence of drugs during an activity of BeeVee if it  
causes nuisance, or if it can be harmful to the reputation of BeeVee or a third party. If a person  
has met one of the conditions mentioned above, this person will be removed from the activity.

115 The board can allow the use of drugs, but only if it is prescribed for. If deemed  
necessary, the board is allowed to make exceptions on the consequences mentioned above.

*The abovementioned alcohol and drugs policy has been determined on the general meeting
