Nijmegen, 19th December 2018

Concerns: Invitation for first years Parents Day Biosciences at the Radboud University Nijmegen

Dear student, parent(s) or caretaker(s),

The education committee of BeeVee, ABO, will organise a “Parents Day” on the **9th of March 2019**. On this day, you are able to experience what your child’s study is like, including lectures and practicals.

By means of this letter, we would like to formally invite you to join our Parents Day together with your son or daughter. It is also possible to join our Parents Day without them. This day will start at 9:30am with coffee and tea. Our program will start at 9.50am. Joining the Parents Day is **free of charge!**

Program of the day:

09:30 hour: Reception at the central hall of the Huygens Building

09:50 hour: Start program

10:00 hour: Welcome words and talks of ABO, BeeVee, Academic Advisors and Director of Education

10:30 hour: Three mini lectures covering Biology; Micro Biology as well as Medical Biology.

12:30 hour: Lunch break with free lunch

13:15 hour: Continuing program in three rounds (13.15-14.00 h, 14.15-15.00 h, 15.15-16.00 h)

- Plant lab practical
- Animal lab practical (Snijpracticum)
- Determination of insects tutorial
- Computer tutorial
- Guided tour at the Huygens building and Greenhouse

16:00 hour: Closing social drink

We would advise you to park under the Huygens building in the parking lot, it is also possible to park at a different parking lot close to the Huygens building. Parking is free on Saturday, but you will need the ticket that you got when you entered the parking lot, in order to leave. If you want to participate, please sign up before the **8th of February**. You can register by sending an email to parentsdaybiology@gmail.com (details can be found on the back of this letter).

Please note; The morning lectures are given in English (as the program is in English too). However, there is a possibility to follow the **afternoon practicals and tutorials in Dutch, if preferred**.

Please state this when signing up to the Parents Day.

With kind regards,
On behalf of the Education Committee of BeeVee, ABO,
Renee Veerman
Chairman of ABO

P.S Feel free to contact us if you have any questions, please email us: parentsdaybiology@gmail.com

How to sign up for the Parents Day?

Please send an email to parentsdaybiology@gmail.com specifying the following:

General information

- Student number
- First and last name of the student
- Number of participants (maximum of 3 persons, including student)
- Allergy and diet information for the lunch, please also state if you have no allergies (as a confirmation for us)*
- If you are disabled or have trouble walking (longer) distances, we would like to know such that we can make specific adjustments for you, if needed.

*This information will be deleted after the Parents Day.

Joining the animal lab practical

We would like to join the animal lab practical, **if possible**.

or

We would prefer to skip the animal lab practical (it is possible to follow an alternative activity).

Language used in afternoon practicals and tutorials

We would prefer to follow the afternoon program in **Dutch**.

or

We would prefer to follow the afternoon program in **English**.

or

We do not have a preference on the language used during the afternoon program.

It is not necessary to contact us, if you do not want to join the Parents Day.

Please make sure to sign up before **the 8th of February 2019**. Unfortunately, the capacity of the Huygens Building is limited. It is therefore necessary to maintain a maximum amount of participants. If you wait too long before you sign up, it could be possible that there is no room for you and your parents. As the Dutch saying goes; "*Full is full*". You will always receive a confirmation of your registration. When you are too late to sign up or we are already full, you will also receive a message. If you are already registered, but are not able to join us, please let us know as soon as possible.
